

# MEMBER PARTICIPATION FORM

Effective organizations, don't happen by chance.  
They require planning, lots of input and participation by the best and the brightest.

*Make your mark on PAMS in 2009!*

Help us to set the agenda for positive change in the HME industry.  
Make sure that your company is represented on the policy-making committees  
that best reflect the interests and expertise of you and your employees.

Please complete and return this form to the PAMS office ASAP.
